INSTITUTE OF TRAINED NURSES OF OUR
LADY OF CONSOLATION.

ANNUAL REPORT
OF THE COMMITTEE.

THE year 1930 has been an encouraging one. There has been plenty of work done both in the Hospital and outside ; unfortunately, many patients have had to be refused admission to the Hospital owing to want of accommodation ; hence the urgent need for a larger Hospital.

The record of district patients and visits is rather higher than last year ; including patients already on the books at the beginning of the year, 552 have been nursed in their own homes and 12,138 visits made. We realise more and more the importance of this branch of our work, and are longing for the time when it can be extended to other parishes ; this, however, is impossible until we have more volunteers ; let us hope that many may be inspired to join us in the coming year.

Our financial condition is satisfactory ; the purchase of the site for our new Hospital is an accomplished fact ; the Bank Loan is paid off ; there is no deficit on the general account, and a sum of about £1,700 has been subscribed during the year for the Building Fund.

This excellent result has not been reached without hard work, both on our own part and also on the part of our kind friends.

Help has come from many quarters ; first from our ordinary subscribers, many of whom have given generously to the Building Fund, without reducing their usual contributions ; some have given very substantial help—i.e., our Bishop, Mr. Bernard and Major Tolhurst, Miss Gaistord, Mrs. Rope, Mr. Brodie and others. More than thirty parish Priests have kindly allowed a collection to be taken up in their churches, the result of which has been the sum of £339.

The Convents have given generous help, as they always do, and the poor have done much, by taking Collecting Boxes and envelopes into their own homes ; their pennies and sixpences have mounted up to many pounds.

Our untiring flag sellers and depot holders have beaten the record of previous years by collecting £677 for the Building Fund. Much has indeed been done, but very much still remains to be done ; we are most anxious that the foundation-stone of the new Hospital should be laid in the near future, but no beginning can be made until we have at least £20,000 in hand ; at present we have not reached the first £2,000.

The District Nursing has again been helped by the annual concert, once more successfully organised by Mr. George O'Hagan, also by the three Hospital funds, the Central Council for District Nursing, the Alexandra Day Collection, the London County Council, and by several parochial charities . two of which—the United Charities of St. George the Martyr, and the Bermondsey United Charities—have given us donations for the first time.

Our grateful thanks to all for everything ; we look with confidence for continued sympathy and help in the coming year.
